

Category:SBB Dashboards

In the scope of KleSy Shop v3 Project, SBB requested a set of dashboards for 5 different user groups they want to support. User groups and their respective Dashboard are listed below.

Even though dashboards are configurable by users with sufficient rights, a dashboard was defined with SBB for every user group.

User group	Dashboard name DE	Dashboard name EN
Administrator	Administrator Dashboard	Administrator dashboard
Salespoint employee	Publikumsbereich Dashboard	Salespoint dashboard
Warehouse employee	Logistik Dashboard	Logistics dashboard
Employee	Mitarbeiter Dashboard	Employee dashboard
