WBW2 ZStoWGS Export

WGS-Tool_WBW-Export.csv

The fields for export were agreed on 16 June 2024 together with Peter Staufer (SBB).

This export takes the information permanently from the classification schema "SBB Warengruppen" with the internal number "custom".

The export format must be a csv-file in UTF8, comma separated.

Excel view column	Column Name	Example value	Description how to pull data from ZUGSEIL
A	Ebene 1 - de	Anlagen	German name of the classification item 1st level from "SBB Warengruppen" schema
B	Ebene 1 - fr	Installations	French name of the classification item 1st level from "SBB Warengruppen" schema
C	Ebene 1 - it	Strutture	Italien name of the classification item 1st level from "SBB Warengruppen" schema
D	Ebene 1 (#)	300000000	Classification item number 1st level, full 9 digits long number
E	Ebene 2 - de	Energieanlagen	German name of the classification item 2nd level from "SBB Warengruppen" schema
F	Ebene 2 - fr	Installations énergétiques	French name of the classification item 2nd level from "SBB Warengruppen" schema
G	Ebene 2 - it	Sistemi energetici	Italien name of the classification item 2nd level from "SBB Warengruppen" schema
H	Ebene 2 (#)	301300000	Classification item number 2nd level, full 9 digits long number
